ABOUT US

Welcome to the 2011 – 2012 Season of the Oak Bay Figure Skating Club. For this new season our club continues to work towards fulfilling our Mission and Vision.

Our club runs out of the Oak bay Recreation Centre at 1975 Bee Street, Victoria BC.

OUR MISSION

To provide a balanced quality, recreational and competitive program for those skaters living in the community of Oak Bay and surrounding neighborhoods on a year round basis.

CLUB PHILOSOPHY

To deliver our objectives of supporting the individual aspirations of every club skater and continue to develop the camaraderie, commitment and comfort that is a key value in being a member of this unique community club. The Oak Bay Figure Skating Club is focusing on being a true **center for performance skating excellence**.

How do we define performance excellence?

It is bringing out the very best within every skater in creative mastery, technical expertise and positive social and personal attitudes.

FUNDRAISING

Each family pays a one time annual fundraising fee. We appreciate you volunteering when we have a fundraiser.

Intermediate

The Intermediate Level is for advanced Canskate and or Jr. Program skaters to develop figure skating skills. This is a private lesson program with the intention of learning figure skating skills and entering the Skate Canada Starskate and Competitive system. Intermediate skaters must identify a primary coach who will have the responsibility of overseeing the skaters' development. The skater will be responsible for all private lesson fees; however, all on and off ice group activities are included in your registration fee.

Senior

To advance into the Senior program skaters must have passed the Jr. Bronze Free Skate Test or be recommended by the coaching staff.

General Information

Simulations will run one Friday per month at a cost of \$10 per simulation. Those skaters who participate will receive a written evaluation and be invoiced separately. The cost of simulations is not included in your regular fees.

*See separate brochure for these programs:
Canskate, Pre-Junior and Junior*
